Gentlemen:

The reporting today relative to tomorrow's Special Board Meeting to continue drafting the District and Board response to the recent Grand Jury Report contains factually inaccurate assertions that Deputy Superintendent Jennifer Gaviola is the target of a criminal investigation. The publicly available Grand Jury Report in no way implicates Deputy Superintendent Gaviola. There is no pending investigation of her. No allegations, with respect to any matter addressed in the Grand Jury Report, have been shown to implicate Deputy Superintendent Gaviola in any way. Both the Board President, Mr. Arend, and I have publicly stated that any person possessing evidence of any wrongdoing by any current employee should come forward now. To my knowledge, nothing has been received to date.

Because these untrue statements are defamatory in nature and harm the District and its employee, Deputy Superintendent Jennifer Gaviola, we request that you immediately correct your story and retract the statement.

Respectfully,

CURTIS T. DUBOST, Ed.D.
Superintendent

cc: Shauna Cunningham, Esq.

Enclosure: Letter from Board President Christopher Arend
